STATE OF ALABAMA,

Case No. CC-2002-000325.00

MOTION TO CONTINUE

The Defendant, by and through undersigned counsel, moves this honorable Court to continue the trial scheduled in this case for the term beginning November 7, 2005, until the next term of Criminal Court. The causes for such continuance are as follows:

1.

The Defendant has not only recently received Discovery material in this case and requires additional time to prepare his case.

The Defendant's attorney filed a Motion for Discovery on or about April 26, 2005. The State provided some Discovery material on October 12, 2005. The attorney will not have sufficient time to review the material, meet with his Client (who is incarcerated in Bessemer, Alabama), and research potential motions or defenses based on the recently provided Discovery. Consequently, a continuance of this trial is essential to ensure that Defendant's

constitutional rights are safeguarded, including: the right to a fair trial, the right to confrontation, the right to prepare a defense, the right to effective assistance of counsel, and the right to due process of law.

The Defendant's attorney avers to the Court that he does not anticipate the need for additional continuances of this matter and requests that the case be set for trial during the Spring, 2006, term of the Circuit Court of Chambers County.

WHEREFORE, the premises considered, the Defendant requests that his case be continued until the Spring, 2006, term of the Circuit Court of Chambers County.

Respectfully submitted this 14th day of October, 2005.
